In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidney. It was Dr. Shoop that first pointed to this truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten day test will surely tell. Try it once, and see. Sold by Hooper Drug Co.

### Stops Lameness

Much of the chronic lameness in horses is due to neglect. See that your horse is not allowed to go lame. Keep Sloan's Liniment on hand and apply at the first sign of stiffness. It's wonderfully penetrating—goes right to the spot—relieves the soreness—limbers up the joints and makes the muscles elastic and pliant.

### Here's the Proof.

Mr. G. T. Roberts of Resaca, Ga., R.F.D. No. 1, Box 43, writes:—"I have used your Liniment on a horse for swiney and effected a thorough cure. I also removed a spavin on a mule. This spavin was as large as a guinea egg. In my estimation the best remedy for lameness and soreness is

## Sloan's Liniment

Mr. H. M. Gibbs, of Lawrence, Kans., R.F.D. No. 3, writes:—"Your Liniment is the best that I have ever used. I had a mare with an abscess on her neck and one 50c bottle of Sloan's Liniment entirely cured her. I keep it around all the time for galls and small swellings and for everything about the stock."

Sloan's Liniment will kill a spavin, curb or splint, reduce wind puffs and swollen joints, and is a sure and speedy remedy for fistula, sweency, founder and thrush.

### They Celebrate Same Day.

George McGill, who is pretty likely to be the democratic candidate for county attorney to succeed W. A. Ayers, celebrated his thirty first birthday Saturday. His sister, two years older than he, celebrated her's also. While it may be unusual for two members of the same family to have birthdays falling on the same day of the month, Mr. McGill found that it was unprecedented when he mentioned it to his colleagues in the office of Blakes & Ayers Saturday morning. In the same office is Walter A. Blake and his birthday occurred Red Sunday, while that of his brother, Charles Blake, fell on the same day. There are nine years between their ages—Beacon.
